IT'S THE HALF THAT MAKES THE DIFFERENCE

7/25/84

Dear WHOT Listener;

Hey, I'll bet you're sitting on the edge of your chair waiting impatiently for the arrival of your history making OFFICIAL WHOT 91½ Tee-Shirt, right? Well don't worry, this letter isn't a substitute for the OFFICIAL WHOT 91½ Tee-Shirt, this is just a little note to let you know that we here at WHOT greatly appreciate the fact that someone as nice as you is one of our listeners. On this historic occasion let us say thank you for giving us your support. As you already know WHOT has been on the scene for 3½ years and we've grown into a sort of club, and we hope to continue to grow. Relatively few people listen to our station, even fewer actually call the station, still the response we've gotten has been tremendous, and we love it. To say the least!! Now it's summertime and we should be able to come your way more often. We still have to avoid those unpleasant realities such as the FCC, and courts, and jail cells. But for now while we're operating we'll have a good time entertaining you and hopefully you'll have a good time being entertained. Well thats it for now, stay tuned for the OFFICIAL WHOT 91½ tee-shirt it will be coming soon, and it's going to be really wild. Take care and thanks for listening.

Best Wishes,
